Providing Solutions For Your Office Environment

Flexible desk

Optional Front Crank

Height Adjustable Desk

Our Height Adjustable desking range provides flexible solutions for the changing needs of the working office and are available in a choice of wave or rectangular shapes.

Full height adjustment from 660mm up to 960mm enables the user to change from sit to stand position in order to achieve a comfortable posture throughout the working day.

All height adjustable desks offer

- Two grey cable ports
- 25mm top with 3mm edging
- Full adjustable height and width frame
- Frame height ranges from 660mm to 960mm
- Standard crank handle on both sides
- Optional top or front crank available
- Front crank can only be fitted to the 800mm end on the wave shape.

CONFIGURATION

Folding Table

Folding Tables are designed for easy folding and stacking providing maximum flexibility when space is at a premium.

Available in rectangular, trapezoidal and semi-circular shapes they are designed to provide versatile solutions whether used alone or together to create a specific configuration.

All Folding tables offer

- 25mm top with 3mm edging
- Height adjustable feet to reach 725mm
- Strong metal supports
- Chrome tubular steel legs and curved base
- Feet come with rivet-mounted angled skids to reduce stability issues on an uneven surface
- Legs neatly fold under the table to enable easy storage
- Stackable
